

## **Evan Marwell, CEO and Founder**

---

Evan Marwell is founder and CEO of EducationSuperHighway, the leading non-profit focused on upgrading the Internet access in every public school classroom in America. Since its launch in 2012, EducationSuperHighway has helped connect 30 million students to the minimum speed necessary for digital learning. In addition, the organization has secured commitments from 42 governors to upgrade their schools for the 21st century.

A recipient of the San Francisco Chronicle's Visionary of the Year award and a serial entrepreneur, Evan launched companies over the last 25 years in the telecom, software, hedge fund, and consumer retailing industries including INFONXX (now KGB) and Criterion Capital Management. Collectively, these businesses created thousands of jobs and generated billions of dollars in revenue and investment returns.

Evan is an honors graduate of Harvard College and Harvard Business School.
